South Shields

Sailing Club

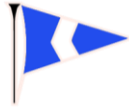

# Club Information

South Shields Sailing Club is a small, friendly, volunteer run club based on the southern banks of the River Tyne entrance.

The sailing club is well positioned near the centre of South Shields, a small seaside town which is particularly busy in the summer months. We have fantastic beaches, parks, cafes, restaurants and bars all in walking distance from the club.

The club offers secure boat storage during the event inside our locked compounds. There is free parking available for the duration of the event in the council run car park, next door to the sailing club. We will have a full social programme which is detailed on page 4.
